

Quick Steps

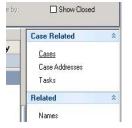

- Open the Case List Screen (if you are not already in it)
- Click on the + Sign to the Left of the Case you are Working on
- Click on the Infant to enter an assessment
- From the Right Hand Menu Bar, Click on the Client Assessments/Screens Link
- Enter the Evaluation/Screening Information
- Click the Save/Go to Responses Button
- Enter the Appropriate Evaluation Responses
- Click the Close Button

Detailed Steps:

1. After logging into the database, the Staff window appears and the system identifies your name on the staff list.

Staff				-Filter by-	-
Name				All Supervised by	Show Hidden
	Staff Information				Case Related
I Name	#	ld	Title	Agency	Cases
					Case Addresses
Data Team, Member		11600	02		Tasks
					Related
				Í	Names

2. Click on the Cases link (on the side menu bar) to get to your open case list.

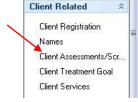

3. From the **Case List** screen, click on the + sign to the left of the case that you want to work on.

4. Under the case, click on the Infant you are entering the assessment for.

You are adding a new item.	

ToolUse the dropdown to identify the name of the evaluation or screening you are
entering the data for.

Version Use the dropdown to locate the version of the screening tool you are using.

Eval Date Type in the date the evaluation was conducted or use the dropdown calendar.

Caregiver Type in the last name of the caregiver and click the magnifying glass to identify the caregiver the evaluation is tied to.

StatusThis option will be automatically defaulted to In Progress. To change this status,
click the magnifying glass, select the new status and click Ok.

8. When the Evaluation/Screening Information form is complete, click the **Save/Go to Responses** button, and the assessment questions will appear.

Each question and response will follow your documentation of this screening.

- **Note:** Responses in an evaluation can be narrative, multiple choice, check all that apply, or numbers/dates. In the narrative/text responses, two boxes are presented to allow text input. The **Response Information** box is intended for notes that will be displayed in reports. The **Response Comments/Notes** box is intended or personal notes and will not be displayed in reports.
- 9. Click on the **Close** button after entering the responses. The information is saved automatically and the assessment is complete.
