Request for Proposal Number: 25-690-4000-34078

TITLE: Family Violence and Prevention Services

PURPOSE: The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of services to adult and youth victims of family violence, domestic violence, or dating violence and their dependents, including immediate shelter, supportive services, and prevention efforts. Awards resulting from this RFP will be cost reimbursement, following applicable federal and state guidelines. Offerors of services are encouraged to focus on discrete projects and costs to increase efficiency and minimize the administrative burden of cost reimbursement.

This RFP will prioritize programs and projects that enhance services for underserved and hard-to-reach populations, including children and their parents, survivors with cognitive and physical limitations, immigrants and refugees, men seeking services, Native Americans, the LGBTQ+ community, elders, and rural or frontier areas.

This RFP utilizes funding from the State of New Mexico, resulting in a **three-year** cost reimbursement contract with providers around the state.
