## New Mexico Domestic Violence Offender Treatment Intervention (DVOTI) Programs

### Approved Provider List as of 01/01/2026

The following programs are approved by the New Mexico Children, Youth and Families Department (CYFD) to provide Domestic Violence Offender Treatment Intervention (DVOTI) services, also known as Battering Intervention Programs (BIP), to New Mexico courts for individuals convicted under the Crimes Against Household Members Act (30-3-10) and the Family Violence Protection Act (40-13-1).

In addition to court referrals, DVOTI programs accept referrals from CYFD Protective Services and individuals seeking help voluntarily. These programs are 52 weeks in length, as required by New Mexico statute, and rely on collaboration with the courts or their agents to ensure offender accountability and promote behavioral change.

For information, referrals, or to schedule an intake, please contact the programs directly. If you have questions, comments, or need additional details about these programs, contact the CYFD Domestic Violence Unit at (505) 500-5041.
